***27% in RevPAR***

*Hospitality Runs on Track*

# WHY TRACK?

## **Scale Your Business**

Innovation That Scales with You

- » 80+ partner integrations to give the most flexibility and best customer experience.
- » Open API and easy access to your data.
- » Attract and retain owners through a customizable platform.

## **Drive More Bookings**

Own Your Demand Strategy

- » The Direct channel delivers the highest ADR (\$342) and revenue per stay (\$1,527).\*
- » Digital marketing and next-gen booking engine built to convert.
- » TrackPulse helps your front-line team turn phone calls into confirmed bookings.

## **Trust Your Finances**

Run Clean, Grow Confident

- » Purpose-built trust accounting for compliance and flexibility.
- » Unified financial reporting across your entire operation.
- » Smarter, fully integrated payments with fraud protection and transparency.

## **Accelerate with Practical AI**

AI That Works Not Hype

- » Automates reviews, guest messaging, and key workflows.
- » Scales your operations without sacrificing the human moments that define your brand.
- » Delivers actionable insights to optimize pricing and timing.
